## A CLASS ON IMPORTANCE OF READING

KTM College of advanced studies organised a class on importance of reading under the auspices of NSS named 'why you should become a bookworm?' to neighbourhood children near the college on reading day, 19th June 2018. The welcome speech was proposed by NSS programme officer Mr. Muhammed Aslam n k, and was inaugurated by dr: Abdul Majeed kk. A brief talk was given by Mr. Afswah a k (assistant professor in Malayalam). He talked about the need and importance of reading. He said that, reading keeps our mind active and enhances our creative ability. So we should need to read more and more that gives us excessive knowledge and lessons of life.

## HEALTH SURVEY

When quite a lot of cardiac, renal and carcinoma cases were reported from different parts of Karuvarakundu, the NSS Unit of college conducted a health survey to obtain data regarding the number of such patients, and also of those who show symptoms of such deadly diseases. During this academic year the survey conducted on 5<sup>th</sup> January 2019 was funded by the Shruti Arts and Sports Club and the survey report was submitted to the health department. 40 Students from different area were given a well-developed questionnaire and asked to collect data from their respective areas.

## Thanneerkudam

It is human to be humane towards fellow beings. In the scorching sunshine of the summer season, the dumb animals find it hard to get a drop of water- some even die of thirst. Keeping this in mind, the Bhoomithrasena of KTM College introduced the program titled *Thanneerkudam* (water pot) on 25<sup>th</sup> march 2019. The Sena decided to hang water pots on the branches of all the trees and in some corners in the premise of the college, so that the birds and beasts may quench their thirst. The program was coordinated by Prof. Ubaidu Rahiman, FIP of Bhoomithrasena, and was inaugurated by Prof. Abdul Majeed KK, the principal. 12 students participated in the program.

## HEALTH IS WEALTH

The NSS Unit of KTM College organized NSS Day celebration on 24th September 2018, Monday. The day program started with NSS song followed by the welcome speech of NSS program officer Dr. Mohammed Aslam NK .As a part of NSS Day celebration NSS organized a health camp with the caption **Health is Wealth** at Punnakkad, the nearby town, to detect renal patients in the area. The program was inaugurated by the principal Prof. Abdul Majeed KK and NSS secretary Anshid Ahmed T delivered vote of thanks. A total of 30 students participated in the camp.

## KURUNNU

The NSS Unit of KTM College of Advanced Studies organized a Children's Day program on 14th November 2018 (Wednesday), with the BUDS School's kids. Children's Day is celebrated in commemoration of the first prime minister of independent India Sri. Jawaharlal Nehru. All the kids from the BUDS school were invited, and each one of them performed different cultural programs like dance, song and skit. Prizes and gifts were distributed and a delicious dinner was arranged for the kids, to make the day memorable for them. 35 students actively participated in this program.

## FLOOD RELIEF 2018

The NSS Unit of KTM College of Advanced Studies undertook cleaning activities in flood affected area nearby the college. The Unit rendered its service at Kalkundu (one of the worst affected villages in 2018), on 31<sup>st</sup> August 2018 in Karuvarakundu Panchayath. Many houses in the area were inundated due to incessant rain and landslide. The Programme Officer Muhammed Musthefa coordinated the whole activities of cleaning. 35 volunteers, both boys and girls took part in the activity. The volunteers came to the campus with cleaning materials available at home, and set out from the college at 8.30 am. They spend a whole day cleaning and sanitizing a dozen of houses. Though a cumbersome task, they had a smile of satisfaction on their face in being able help the fellow beings.

## STADIUM CLEANING

The best way of doing homage to Mahatma Gandhi is committing to any or all the tasks which he valued in his life. Doing service to humanity by doing things that are useful for the public is a laudable deed. With this objective in mind NSS Unit of KTM College of Advanced Studies cleaned Shruthi Punnakkad Stadium, Karuvarakundu on 22<sup>nd</sup> September 2018. It is a stadium where many public programs, competitions and games are held round the year. People gathering there to attend the programs recklessly litter plastic carry bags, bottles and other materials which pollute and damage nature. 43 volunteers led by the Program Officer Prof. Muhammed Musthefa took part in this activity. It took almost half a day for them to clean it by collecting all the carelessly littered plastic
