Employers Feedback Report on “Syllabus and its Transactions” 2022-2023

The feedback received from employers regarding the syllabus and its transactions at KTM College of Advanced Studies, Karuvarakund, was positive and above satisfactory. They provided good feedback on the same and expressed their satisfaction with the knowledge and skills possessed by our graduates, which they attributed to the quality of the syllabus and its effective implementation. As some of the employers showed their dissatisfaction with the syllabus, the academic monitoring cell and the IQAC have to address the issues raised by them and to take appropriate actions to enrich the syllabus and its transactions.

The feedback received highlights some of the following key points:

- ❖ The Curriculum is updated and syllabus also well-designed
- ❖ It provides sufficient practical experience and helps to acquire employability skills.
- ❖ Syllabus is designed as per the professional standards and good for the overall development of the students.
- ❖ The graduates are able to contribute significantly into the objectives of the firm

Teachers Feedback Report on “Syllabus and its Transactions” 2022-2023

The teachers feedback response shows that the curriculum is effective in terms its objectives and outcomes, but a few faculties submitted their disagreement in the various aspects of curriculum and its transactions. A total of 17 faculty members participated in the survey. 11 faculties are from Arabic Department, 4 faculties are from the Department of Commerce and others are from languages. The majority of the faculties are satisfied with the aspects of syllabus and its transactions. The following are the some of the key highlights of the feedback.

- The curriculum is updated, designed with the program outcomes, comprehensive and well designed.
- It facilitates to acquire employability skills, experiential learning, soft skills and knowledge in real life situations which facilitates the overall development of the students.
- Sufficient study materials are available.
- The time provided to complete the curriculum is adequate.

The report also suggests to ensure the following recommendations:

- The curriculum provides sufficient practical experiences.
- Faculties are getting sufficient time to complete the curriculum
- The syllabus meets the professional standards
- The curriculum facilitates to acquire employability skills

Student Feedback Report on “Syllabus and its Transactions” 2022-2023

The students feedback report indicates a high level of satisfaction with the overall design and implementation of the syllabus. Majority of the students expressed a high level of satisfaction with the overall design and implementation of the syllabus. They acknowledge the syllabus for its relevance, comprehensiveness, and alignment with their educational goals. Even though, there are some feedbacks received from students that they are not fully satisfied with the system. The academic monitoring cell must address the issues raised by the students and has to take appropriate actions

The major highlights of the feedback are:

- The curriculum meets the industry requirements
- The courses help to upskill the students and give exposure to the latest developments in the field of study
- The outcomes of the courses are appropriate and there is a sequence between the courses
- Sufficient infrastructure, lab facilities and reference materials are available
